# Nuna Leaf™

Life with a baby requires you to be an expert in doing two things at the same time — all while keeping your baby happy.

The Nuna Leaf embodies a truly unique and natural gliding motion. Designed to soothe and relax your baby. Just a gentle push creates a relaxing environment. A movement more natural than rocking and bouncing.

The Leaf is rock safe, easy to use and the design complements your stylish home interior.

When your baby is happy and comfy, it's time to relax.

# Never a dull moment

As a parent your life is exciting and full of surprises. Kids explore the world and turn yours upside down.

All that love. All that joy. But we know it's not always easy.

That's why Nuna designs smart products to make life as a parent much easier. Innovative, no-nonsense, simple designs based on the realities of having kids.

All Nuna designs have been fully tested by mischievous little minds and curious sticky hands so it's no surprise kids love them too.
